CEREMONIES, WEDDINGS & CIVIL PARTNERSHIPS

Ceremonies at Trevenna capture all that is romantic about being in Cornwall with beautiful countryside views and a relaxed feel. You can choose where your Ceremony takes place at Trevenna, either indoors in the unique setting of the dramatic and contemporary Threshing Barn or outside in the open countryside underneath our wood and slate Arbour. You can even decide how you would like the seating arrangement for your guests from rows to horse shoes, to sitting on hay bales. The choice is yours... If you would prefer to opt for a Church Ceremony, take a look at the Church of St. Neot, a stunning church located one mile from Trevenna in St. Neot Village.

Arbour Ceremonies

Constructed using traditional carpentry skills from wood and slate, the Arbour is a breathtaking location to say your wedding vows with an outside wedding ceremony. You may choose to make an entrance from the Threshing Barn, walk along beside the pond and towards the Arbour as guests look on from the lawn. Recorded music for your outside ceremony may be played through our PA system from an iPod or live music from a string quartet or jazz duo located close by.

Arbour Decoration - On the morning of your wedding day, the Arbour may be dressed with drapes to create a soft style. The wooden posts and beams of the Arbour are easily decorated with ivy and flowers or bunting. If you prefer, the Arbour may be left just as it is. A floral decoration for the Registrars table could also be moved to your top table.

Arbour Seating - Guest seating may be arranged on the lawn with a central aisle for a formal style or arranged in a horseshoe shape for a more relaxed style.

Inside or out? - If you would like to say your vows under the Arbour with an outside wedding ceremony, our dedicated Wedding Team will do anything possible on the day to make that happen dependent on the weather conditions. We will arrange the chairs on the lawn and set up the registrars table and PA system, while your florist decorates the Arbour. If the weather conditions change or you and the registrars consider that it would be best to move into the Threshing Barn, Trevenna will rearrange the Ceremony inside.

Threshing Barn Ceremonies

& wood. The bride may choose to make an entrance down the contemporary glass & walnut staircase. The real log fire and underfloor heating ensure the Threshing Barn is cosy during the winter months. Recorded music for your ceremony may be played through our surround sound system from an iPod.

Threshing Decoration - The Threshing Barn is a neutral space that requires little decoration to make it your own for your wedding ceremony. If you do decide you would like to add a few of your own touches then the staircase and beams are perfect for decoration. Candles and a flower arrangement for the registrars table also looks beautiful on the day and in your photos. We can help with lots of ideas, just ask!

Threshing Seating - Guest seating can be arranged with a central isle for a formal style or arranged in a horseshoe shape for a more relaxed style. For larger wedding parties our Garden room which fuses with the Threshing Barn may provide a additional seating for your ceremony with all guests having a good seat.

Registrars for Ceremonies at Trevenna

The Registrars for an inside or outside ceremony may be contacted on 0300 1234 181 and ask for the Liskeard Registrars Office. They will confirm availability with you for your chosen date and advise you on their costs and procedures for booking them.

St. Neot Church Ceremonies

The Church of St. Neot is stunning. With beautiful stained glass windows, history is all around. The bride enters through the granite porch into the main isle. Music may be provided by the magnificent church organ. All couples interested in St. Neot Church should call 01579 320472.

RECEPTIONS & CELEBRATIONS

The natural stone walls of the Threshing Barn fuses with the Garden room to create a light and airy space and forms a stunning celebration venue. The Garden room is a versatile space and leads straight from the Threshing Barn so there is no need for guests to venture outside, unless they want to! This beautiful heated structure is available all year round providing wedding parties with an extended house part feel within a lovely contemporary space. With soft drapes and twinkling lights in the ceiling, mood lighting and a choice of table layout this is truly a reception space you can make your own... Our very small intimate wedding parties also have the choice of using the cosy Farm House for their wedding celebrations and receptions.

Pre-Ceremony Drinks

The cosy Farm House Bar will be open for drinks before your ceremony. Guests staying at Trevenna and guests arriving for the day, gather by the Farm House Bar for a pre-ceremony drink as the excitement begins to build. If the weather is fine, guests may relax in the Farm House Garden before being ushered to the Ceremony. The Farmhouse is a lovely cosy space for guests to mingle in before your ceremony begins.

Canapes & Celebration Drinks

As you walk back down the aisle as a newly Wed couple, Canapes & Celebration drinks may be served to you and your guests. Your celebration reception can be held either outside on the lawn, within the Threshing Barn and Garden room or by the Pond. As guests congratulate you, and your photographer gets snappy, fill the air maybe with gentle music from an iPod, String Quartet, Jazz Duo, Steel Band or Soul Singer.

Celebration Drinks - Our hosting team will serve your Celebration Drinks wherever your guests are gathering for photos; on the lawns, by the Pond or inside. Guests enjoy sipping on a fruity Pimms, Minty Mojitos or even a local Sparkling Berry or Mulled Cider!

Canapes - Our range of freshly made canapes are always a hit with guests, providing a much needed nibble after the classic wedding day rush to the ceremony.

Afternoon Tea - Alternatively, our Mini Patisserie Tower freshly baked in our Craft Bakery including mini chocolate eclairs, mini meringues, mini victoria sponges, cup cakes and brownies provides a surprise treat for your guests. A Cornish Cream Tea of homemade Scones, Jam & Clotted Cream speaks for itself.

Garden Games - With acres of lawns, Garden Games are strictly encouraged and can be great fun for your guests...
