Covid 19

As the world faces Covid-19, we wanted to share an update on how we are responding to the current UK Government restrictions and to offer our existing and prospective Couples some guidance on how to move forward with wedding plans.

Firstly, we extend our thoughts and appreciation to every key worker who is caring for all at this time.

We thank everyone connected with Trevenna for their understanding and patience.

Despite these uncertain times, we want to assure you that the people of Trevenna will always be here to support our couples as best as we can.

The gardens at Trevenna are blooming and the grass is being cut. As soon as we are permitted to open, our talented hosting team look forward to doing what they love, making our guests feel welcome and hosting weddings our couples love, forever.

BOOKED WEDDINGS

Trevenna must remain closed from the 23rd March 2020 until the Government announce that we are able to re-open. We are closely monitoring the official advice given by the UK Government and will provide further updates as the situation evolves.

In the meantime, we have worked closely with our Couples impacted by the restrictions by offering to pencil in a later alternative date or postpone their wedding plans to a later date.

Please get in touch with the Trevenna Team if you wish to discuss your existing Wedding Plans:
